

Fair go for free-range!

Public action meeting for truth in labelling

Speakers include:

Lee McCosker Humane Choice

John Kaye Greens MP

Jodie Stewart President of the
Balmain-Rozelle Chamber of
Commerce & proprietor of About
Life cafe & stores

Come along and join the
movement to defend the rights of
ethical consumers and protect
genuine free-range farmers and
their animals.

The Greens have a bill before the
NSW Parliament that will ensure
eggs labelled 'free-range' come
from truly free-range farms. It has
passed the Upper House and now
needs your support to become
law.

Sign the petition, hear inspiring
speeches and find out what you
can do to ensure free-range
means free range!

Hosted by Greens MP for
Balmain Jamie Parker
